Hey Mad Fish Fans.....

Can you believe that the Holiday Season is here already? Spending time with family and friends at this time of year is really important to me. Angela and I enjoy spending time with our kids while they are on school vacation! However, that does not mean that we are not always busy working to bring you exciting episodes of Beat Charlie Moore and Charlie Moore Outdoors! I hope you will all be able to catch the

Mad Fish Marathon on NESN on Christmas Eve from 1:00pm—10:00pm. We

have a lot of fun putting the marathon together for everyone to enjoy! It is a favorite for us! NESN's

Winter of Fun—beginning on January 24, you can catch new episodes of Charlie Moore Outdoors on NESN on Sunday evenings at 8:00pm. Beat Charlie Moore Season 7—You will also be able to see new episodes of Beat Charlie Moore on Saturday mornings on ESPN2 beginning on January 2 at 8:00am. There will be a second airing on Sunday 1/3/10 at 10:00 am. We believe the upcoming seasons of both shows will be the best yet!

Mad Fish Pilot

Mad Fish Pilot Shoot

I recently began filming the pilot for my current project with Pilgrim Film and Television Studios. This new show is a hybrid reality that features myself, my family and my crew. Pilgrim Studios spent a week following me and my family

through our daily routines. This show will offer a behind the scenes look at what goes on in Mad Fish Land and promises

to make for very entertaining television viewing. Pilgrim Studios has been responsible for such hits as, Survivor, Dirty Jobs, and American Chopper. The Mad Fish Show is scheduled to air sometime in 2010.

Boar Hunt with Ted

Charlie and Ted Nugent

Everyone knows Ted Nugent as a hard rock guitarist, songwriter and vocalist. He has been performing professionally since 1958 and touring annually since 1967. However, he is also known for his defense of hunting.

He owns a ranch near Jackson, Michigan called, Sunrize Acres. I was able to meet him on his ranch and join him on a hunting expedition for wild boar. After the hunt, Ted made lunch for me and the crew, venison and

wild boar! During the day, we had the privilege of listening to some classic Ted Nugent Rock and Roll! You'll have to catch the show to see if we could possibly have found someone crazier than me!

Aubuchon Hardware

The first Aubuchon Hardware store was established in Fitchburg, MA in 1908. 100 years later, there are over 130 stores throughout the New England

area. This growth can be attributed to the company treating its customers as friends and always putting them first. Today, Aubuchon Hardware remains a

family owned and operated business. Please visit your nearest Aubuchon hardware store or hardwarestore.com for all of your hardware needs.

Tim Thomas

Charlie and Tim in Vermont....

Growing up in Boston, I have always been a

Bruins fan. I recently had the good fortune to meet up with Tim Thomas, goal tender for the Boston Bruins. Tim played college hockey for the University of Vermont, where he holds the all time record for saves and wins. He returns to

Vermont every summer to spend time on Lake Champlain. He made his NHL debut with the Bruins during the 2002-03 season and recorded his first NHL win in his league debut. We had a great day on the water. Watch the show and find what really happened when Tim won the Vezina Trophy!

Youngsville Hawks-2009

State Champions

This fall, I had the great pleasure of coaching my sons', (Anthony and Nikolas), football team. My boys played phenomenally and the team had an unbelievable season as we went undefeated. We

finished the season 11-0 and were able to bring home the Championship trophy. The entire team displayed great discipline, character and sportsmanship throughout the season. I am very proud of all

of them and I hope they bring the lessons they learned on the field to their everyday lives. Being able to impact kids in a positive way means the world to me.
